## House Rules

1. Septic tank: The property is on a septic system. DO NOT FLUSH anything other than toilet paper. No feminine products should be flushed at any time. If it is found that feminine products have been flushed and clog the septic system, you could be charged damages to pump the system.
2. Wood fireplaces: Do not throw paper or other items in the fireplaces. Use fire starters (provided) and the cut wood from the wood pile. Please DO NOT adjust the damper. If it gets stuck, it may make the fireplace unusable.
3. Gas fireplace: The fireplace in the master bedroom is gas burning and is turned on with a switch. Gas fireplaces use a tremendous amount of fuel, so please conserve by using it only when spending time near them. Be sure to turn all fireplaces off during sleeping hours and when leaving the home.
4. Hot tub: Temperature must remain set at 102 degrees. No children under the age of **18** are permitted in hot tub without adult supervision. Hot tub cover must be closed at all times when not in use.
5. Luggage: Please be careful bringing luggage in and out of house to prevent damage.
6. Candles: Don't light the candles; they are for decoration only.
7. Quiet time: Please be respectful of your Sundance neighbors by observing "quiet time" outdoors after 9:00pm.
8. Garage Door: Leave garage door down to prevent forest critters from entering.
9. Trash: Place only dry goods in the trash compactor—no food items. Please break down boxes and stack in garage. Use garbage cans with liners for all food-related waste. Leave lids on to prevent pests.
10. Smoking: No smoking on the premises.
11. Pets: No pets allowed.
12. Departure: Place soiled dishes in dishwasher, turn off all lights, and lock all windows and doors. Call Ellen's cell when departing. We will adjust the heating and cooling remotely.
